CASE NO. 8707

O R D E R

On January 25, 1983 Nolin Rural Electric Cooperative Corporation ("Nolin"), by counsel, filed its Motion requesting that the Commission direct Flint Ink Corporation ("Flint Ink") to furnish Nolin copies of any exhibits, pre-filed testimony, conclusions of expert witnesses, or any other such information which Flint Ink intends to present at least seven days prior to the hearing scheduled February 10, 1983.

On January 28, 1983 Flint Ink, by counsel, filed its Response to the Motion of Nolin and a Motion requesting that the Commission require Nolin to promptly furnish Flint Ink a copy of its testimony and exhibits and the names of the officials or other persons who may be present at the hearing to present direct testimony or rebuttal testimony, and, in the event, Nolin does not intend to present testimony and exhibits, that the Commission, by subpoena or otherwise, require Nolin to have available at the hearing officials or witnesses who are knowledgeable in the areas of finances, operations and rates (of Nolin) for the purpose of cross-examination by Flint Ink.

Flint Ink further requests that the Commission deny the Motion of Nolin because it is incumbent upon Nolin to make its presentation first.

The Commission, having considered the Response and being advised, HEREBY ORDERS that the Motion of Flint Ink be and it hereby is sustained and Nolin is hereby directed to provide forthwith to Flint Ink copies of exhibits, responses to data requests, copies of prefiled testimony, if any, and the names of the witnesses who will address issues related to finances, operations and rate design.

IT IS FURTHER ORDERED That the Motion of Nolin be and it hereby is sustained to the extent that Flint Ink shall provide to Nolin on or before February 7, 1983 copies of exhibits, and pre-filed testimony, if any.

Done at Frankfort, Kentucky, this 2nd day of February, 1983.
